4 Matters Arising (information only)

- i) Citizens Advice Craven & Harrogate Districts – re donation
- ii) Settle Area Swimming Pool - re donation
- iii) Royal British Legion – Poppy Appeal - re donation. When sending the Council's cheque for the recent donation, the Clerk had drawn the RBL's attention to the fact that the cheque for the previous year's donation had not been presented for payment and hence was now out of date. In the absence of any comment by the RBL, the Clerk undertook to reverse the entry in the Council's accounts.

5 Policing

- i) To receive the monthly report – following two drugs related incidents, warnings had been issued. Additionally, there had been two reports of concern for persons' welfare, and a civil offence relating to dogs. Though crime remained low in Craven, care should be taken to secure properties and vehicles to avoid sneak-in burglaries and vehicles being entered. It was felt that these items referred to Craven as a whole and the Clerk was asked to request that future reports refer specifically to the parish of Stainforth.

6 Finance

- i) To authorise payment of accounts as per schedule, including the Clerk's remuneration for February, 2017

Resolved: That payment of the accounts be approved as per the schedule.

- ii) To conduct the annual review of the effectiveness of the system of internal audit, including financial risk management, and budgeting. The Clerk again reminded those present that the External Auditor could seek evidence of the review as part of the annual audit. He produced the cheque book, paying in book and income and expenditure schedules as provided at every meeting. He also produced bank statements and paid invoices for inspection, and drew Members' attention to its system of financial risk management. Budgeting had been dealt with comprehensively at previous meetings. The Council's insurance requirements were also reviewed and considered appropriate. It was noted that the council utilised the services of a professional firm of Internal auditors to undertake the internal audit function. This would next be discharged in May 2017. The Clerk reminded members of their responsibilities as Councillors, to satisfy themselves with the integrity of internal audit and the need to check for themselves that appropriate systems of verification were in place and effective. Also, that they should never hesitate to query any matters which required clarification. Finally, the Clerk produced a revised Financial Risk Management proforma which he undertook to complete in respect of the Council.

Resolved: That the effectiveness of the system of internal audit, financial risk management and budgeting be considered satisfactory and approved.

- iii) The Pensions Regulator – advice on staging date – the Clerk to take the necessary action.

7 To consider Risk Assessments in relation to the following:

- i) Lawn Mower - this was reviewed.
- ii) Winter Maintenance – this was reviewed.
- iii) Allotments – the Clerk considered that the Council should undertake a risk assessment for the allotments. A proforma and guidelines were produced and the Clerk undertook to produce the relevant risk assessment in conjunction with Cllr Asher.
